

PRODUCT NUMBER: NF14

Duro Task - NF14

Handling of slippery, damp or non greasy parts.

Honeywell

Översikt

Reference Number

NF14

Product Type

Handskar

Range

General purpose

Line

Light & medium handling

Brand

Honeywell

Brand formerly known as

NORTH

Industry

- Automotive and Part Manufacturer
- Building and Construction
- General Industry
- Glass Industries
- Logistics
- Maintenance
- Transportation
- Wood Industries

Product Use

Handling of slippery, damp or non greasy parts.

Features & Benefits

Feature

Knitted glove cotton/polyamide grey. Palm and fingertips coated in blue color crinkled latex. Knitted wrist. Length : 26 cm.

Benefit

COMFORT The knitting technique helps to obtain a glove that conforms snugly to the hand and good dexterity. The glove offers maximum comfort and added sturdiness. The cotton thread absorbs perspiration thus provides added comfort. The ventilated back improves the glove's breathability. **RESISTANCE** The crinkled latex coating provides resistance to abrasion and perforation as well as an excellent grip.

Technical Description

Description

Knitted glove cotton/polyamide grey. Palm and fingertips coated in blue color crinkled latex. Knitted wrist. Length : 26 cm.

Product Technology

Knitted dipped

Gauge

10

Glove/liner color

Grey / Blue

Coating Type

Latex

Length

25 cm

Harmlessness

In conformity with the European standards.

Dexterity

Class 5

Sizes
